Episode 14.

* * *

Buck McLeod, outlaw, and Ida Hubert, an adventuress, double-crossing their leader, Topaz Taggart, find the treasure cave on Mary Marshall's Ranch, with the aid of a secret code stolen from Taggart. Ida goes for Buck's men to lift the loot, stops at a ranger's house for food, which she pays for with a nugget. O'Rourke, Mary and Bud arrive after she leaves, but they realize what has happened when they are shown the nugget.

They follow her in an airplane. She sees them in the air and gets in a plane which was abandoned by Bud, to escape them. In order to disable them and stop their pursuit she resorts to the desperate means of diving at them and sideswiping the wing of their machine.

One of the planes is seen to fall from the sky and crash to the ground.
